## SPECIAL EVENTS & CATERING

At Onyx Room, we pride ourselves on our ability to work within our client's parameters to meet and exceed expectations. We offer exquisite catering services, floral and centerpiece design, linens, lighting, theme creation, unique beverage options including what we like to call “cocktail couture” and unparalleled service. We can provide tranquil background music or our full night club sound system that can help you rock the night away. We are available for corporate and social events, any night of the week.

Our event team is both flexible and creative. We can create custom cocktail menus to accommodate your most discerning client, and we have the ability to work within any budget. Everything from traditional American cuisine to creative sushi and tapas are available. We understand the importance of a well-executed event and we will assist you in every way to make sure that you and your guests have a happy and memorable experience.

From VIP bottle service to corporate events, from bachelorette parties to fashion shows, the Onyx Room has it all! Our seasoned event team is ready to make your event, no matter the size, an exquisite event to remember. We spare no detail to ensure our guests and clients are satisfied. Our goal is to have a celebration that people are talking about well into the future! Please let us know if there is anything else we can do to assist you in your event planning.

We look forward to working with you at the Onyx Room!
